Heritage District

DOWNTOWN GILBERT! is known by the locals as the Heritage District. We're pretty proud of the 26 restaurants that were added in just the last 5 years, adding some of the top restaurants in the metro Phoenix food scene to best of Gilbert's locally grown creations. The district also features the Hale Theater with Broadway shows, the **Gilbert Farmers Market every Saturday and the Art Walk on the first and third Saturdays when the weather is nothing short of amazing (Oct-March).** You'll find a family-friendly environment, a vibrant nightlife, and a plethora of pet-friendly restaurant options with ample patio space. And when you want to explore using pedal power, Gilbert's 135-mile bike path system connects the Heritage District to parks and attractions throughout town.

Togetherness

If you see someone sitting by themselves in the Community Room, please! make everyone feel they belong. We have so many new residents here at Silver Spur, and it is vital to the success of our "Community" to have residents feel they belong. Please make a practice to ask someone you have never met before, to sit with you during one of our activities! We would love to have input from EVERY resident on any activity you would like to see at Silver Spur. If you have an idea, please let us know and we will be happy to get it off the ground. Togetherness is what makes Silver Spur an amazing place to live!
