Delightful Days
“In the entire circle of the year there are no days so delightful as those of a fine October.” —Alexander Smith

Plentiful Pumpkins
Carved, painted or simply sitting in decorative displays, pumpkins symbolize the fall season. From coast to coast, they’re found in many sizes and colors, but the classic round, orange squash you’ll find ripe for the picking at pumpkin patches and markets is the Connecticut field pumpkin. Of the 2 billion pounds of pumpkins grown in the U.S., most are processed into food products.

The Dumpsters Are Getting Filled Quicker Than Normal And We Are Running Out Of Room For Actual Garbage Or They Are Over Flowing. Also, The Recycle Dumpsters Should Be Used, Not The Garbage Dumpsters. **Festive Fall Crafts**

Let nature bring a touch of autumn to your space with these fun and easy crafts:

- **Door décor.** Combine leaves, acorns and miniature pumpkins to make a showstopping wreath for your door. Glue the items to a ready-made grapevine or straw wreath, or wrap a foam wreath form with burlap or plaid fabric for a cozy, rustic look.

- **Pumpkin planter.** Cut the top off a real or artificial pumpkin and fill it with a houseplant, fall mums or a bouquet of other blooms. Mini pumpkins can hold small succulents or battery-operated tea lights.

- **Festive foliage.** Gather fallen leaves in rich hues of red, orange and yellow, or buy artificial leaves at a craft store. String them together using a needle and thread or fishing line. Hang the garland over a doorway or window.

- **Artsy acorns.** Collect or purchase acorns, then paint the seed portion of each one, leaving its brown cap natural. Choose paint colors to reflect a theme: traditional fall tones, metallic shades for some sparkle, or neon colors for frighteningly good fun! Once dry, display the acorns in a bowl or vase.
